

Dear Financial Aid Office,

I, _____, have attempted to obtain my 2022 Verification of Non filing status from the IRS or other tax authorities. However, I was unable to obtain the required documentation. I was not required to file a 2022 Income Tax Return.

If there was income earned in 2022, I will list the sources and attach a copy of my 2022 W-2's

Sincerely,

_____ Date: _____
