

Dear Financial Aid Office,

I, _____, have attempted to obtain my 2023 Verification of Non filing status from the IRS or other tax authorities. However, I was unable to obtain the required documentation. I was not required to file a 2023 Income Tax Return.

If there was income earned in 2023, I will list the sources and attach a copy of my 2023 W-2's

Sincerely,

_____ Date: _____
